Subject: Promotion from Lecturer to Assistant Professor

I am pleased to inform you that following due process, the University's Academic Promotion Committee at its meeting on 20th September, 2020 approved your application for promotion from the rank of Lecturer to Assistant Professor. Your academic promotion takes effect from 1st October, 2020.

All applications submitted for academic promotion were evaluated by the College and University Academic Promotions Committees based on the criteria in the University's Academic Promotion Policy. The fact that you have been successful in this promotions round is of great credit to you and reflects your good performance in the areas of Teaching and Learning, Research, and University/Community Service.

I would like on behalf of the University Community to offer you my congratulations and to wish you a very successful career with the University. Your salary scale to reflect your new academic rank will be communicated to you separately by the Human Resources Department. All other terms of your employment contract with the University remain unchanged.

By copy of this letter, all concerned departments in the University are requested to apply this decision with immediate effect.

Yours Sincerely

Professor Fouad Chedid
Vice Chancellor
