Subject: [ACIT] Note: paper completed.

Thank you for being a member in the Review Committee of ACIT.

ACIT OpenConf would like to inform you that the last decision regarding the paper 199 entitled Intrusion Detection System Based Machine Learning Methods: A Comprehensive Survey for Security and Deep Learning Applications has been sent to the author(s); therefore it will be disabled from your "Papers to Review" list.

We appreciate your cooperation and contact.

Regards,

ACIT OpenConf.
