Subject: Fw: Internal Research Grants Reviewers
Attachments: Rubric for project evaluation.docx; Contract for external reviewers.docx

Dear Dr. Einas

Kindly find the request received from Buraimi University who would like to seek the expertise of our team members in reviewing their research proposal as part of their research grant. Please let me know if you can review any of these and if so, please fill in the contract attached and send it to me. Thanks

Dear Dr. Said,

I hope you are doing well.

With reference to our telephone conversation regarding the above subject, kindly see attached the rubric and the contract designed for such review. Could you please suggest some reviewer names to contribute to reviewing our Internal Research Grants Projects. Reviewers will receive a remuneration of 25 OMR for each project they review. Each reviewer may be assigned more than one project reviews. Details required: Name, specialization, academic rank, college, mobile, and email. Below is also the current research project that would need to be reviewed. appreciate your support.

Babu Noushad	CoHS	Towards Personalized Learning: Investigating the potential of self-monitoring
Binila Idicula	CoHS	level of psychological wellbeing, Faculty at university of Buraimi.
Hilal Hamood Al Rahbi	CoHS	Enhancing Diabetes Self-Management (DSM): a randomized controlled trial
James Tolero	CoHS	ASSESSING THE QUALITY OF LIFE IN ELDERLY POPULATION IN THREE GO

Janitha Ayyappan	CoHS	Perception towards refractive surgery and preferred method of refractive
Mohammad Changej	CoHS	Use of Native resources (such as Frankincense Oil) Transdermal Delivery
SONIYA RASHEED	CoHS	Undergraduate nursing students' attitudes toward people with mental illn
Sumathi Sasikala	CoHS	The role of proactive behaviors in decreasing work-related burnout among
Virgina Varghese	CoHS	Assessment of dietary pattern and lifestyle among undergraduate nursing

Regards,

Dr. Hilal Alrahbi
Dean, College of Health Sciences
