Subject: Resignation from Chair Position – University Research Ethics and Biosafety Committee

Dear Dr. Ibrahim,

I am writing to formally resign from my role as the Chair of the University's Research Ethics and Biosafety Committee (UREBC). Due to increasing responsibilities within my department, especially given its size and my current duties, I find that I need to focus my time more fully on departmental commitments.

Additionally, I would like to bring to your attention that **Professor Emad**, who was a member of our committee, has left the university due to the conclusion of his contract. As a result, we will need to identify both a new Chair and a new committee member to ensure the committee continues its important work without disruption.

I am more than willing to assist in the transition process and support in any way I can to identify suitable replacements.

Thank you,
Rayya
