Dear Sara,

Thank you for the poster. As per our discussion and agreement, I have included myself and Dr. Einas as your project supervisors. Will you be participating in Research Day 2024 through **poster, presentations and project** OR Only Poster and project? If yes, **please review the attached registration form and make any necessary edits. Kindly add the ID numbers of all students (members) and their mobile number.**

I made minor adjustments to the title and added the names of the supervisors.

Project Title: **Development and Assessment of stickREMs: Innovative Medical Dressings Derived from Omani Nature.**

Supervisors: **Dr. Einas Osman & Dr. Rayya Al Balushi**

Please coordinate with Dr. Einas for the final review of the poster before printing. Additionally, consult her regarding the preparation for the Oral presentation and project.

Thanks,
Rayya
