Call for Reviewers

EURAM 2016 Conference

www.euram-online.org

******Apologies for Crossposting******

Dear Colleague,
Dear EURAM friend,

In the sad situation that our Local Organising Committee and some of our other members are experiencing in Paris, we think that it is more important than ever to strengthen our community of engaged scholars and to prepare our Conference focused on Cooperation. The presentation of the theme of EURAM 2016 ends by the French motto "Liberté – Egalité – Fraternité".

To prepare a beautiful event in June, embodying those values, we need your full support. The track chairs rely on your commitment and expertise to build a high quality and meaningful programme. We hope to be able to count on you once more, or for the first time, and would like you **invite you to register as a reviewer for the EURAM 2016 Conference.**

To do so, please go to <http://2016.euramfullpaper.org/callfor.asp> It will take you 4-5 minutes to fill out your profile. With this information, track chairs will be able to match papers with your expertise areas. If you registered as reviewer in 2015 you will simply have to check and complete your profile. We kindly ask you to register as a reviewer and for other volunteer roles by **31 December 2015.**

Papers to review will be sent to you during the month of February with a deadline of 3 March 2016 to complete your review/s.

We take this opportunity to remind you about our main deadlines:

The **Paper Submission Deadline** is set for **12 January 2016 at 2:00 pm Belgian time** ([check the time difference here](#)). Submissions are done online.

The conference will be held **1, 2, 3 and 4 June 2016 in Paris**. They will be preceded by pre-conference activities on **31 May**. Additional information about the programme tracks and submission guidelines can be found on <http://euram-online.org/annual-conference-2016>

The **Submission Deadline for the Doctoral Colloquium** is set for **27 January 2016 at 2:00 pm Belgian time** ([check the time difference here](#)) Submissions are done on line.

The Doctoral Colloquium will be held on **29 -31 May 2016** in Paris.

We look forward to receiving your registrations and papers and to pursue our collaboration with you for the EURAM 2016 Conference.

Our best wishes for a more peaceful world,

On behalf of the Local Organising Committee

Professor Julienne Brabet, EURAM 2016 Conference Chair
