Dear Mohamed Hakim,

We would like to thank you for accepting to serve as a reviewer for EURAM'13 which promises to be a successful conference!

We have received a record number of submissions and reached an all-time EURAM record this year with 1408 papers.

The reviewing process has started and by now you should have received an invitation to review papers for EURAM. The deadline for reviews is 8 March 2013 which gives you three weeks to perform your review.

To help the chairs make their final decisions and to attain the quality standards set, the Programme Committee is counting on the engagement of over 3000 reviewers to provide quality feedback to authors. As you will see, the evaluation form has been somewhat simplified so that you can focus on providing a one page commentary to authors.

Should you have any questions, please contact queries@euraminfo.org

Thank you once more for your commitment and we hope that we will see you in Istanbul in June!

Best wishes,

The Programme Committee

Sibel Yamak, Conference Chair EURAM'13
Luca Gnan, Vice President Conferences
Hans van Ees, Vice President Strategic Interest Groups
